

Animal Check Up

The pet is a

The pet is feeling

Today we checked your pet's

heartbeat, weight, height, and gave it shots

I like to fetch sticks.
I will growl if I get scared or angry.
I can be very little or very very big.
I bark to alert my owners when
something is wrong.

I like to scratch things.
I like to catch birds and mice
I like to sleep a lot.
I will hiss if I am angry.
I purr when I am happy.

I like to run on a wheel in my cage.
I like to rip apart paper tubes.
I can fit in your hand.
I am furry.

I have a shell.
When I am scared I hide in my shell.
I can swim and like the water.
I live in a fish tank but am not a fish.

I live in an aquarium or bowl.
You have to be careful not to feed me
too much.
You must clean my bowl or fish tank to
keep me healthy.

I have long ears.
I am very furry and soft.
I have big front teeth.
I like to eat carrots and other
vegetables

I have no legs.
I like to eat mice.
I sleep in a fish tank but I am not a
fish.
Some people are very scared of me.

I live in a cage.
I am very noisy.
You can teach me to talk.
I can fly.

**I'm a little fishy
in my bowl,
I swim fast
and I swim slow.**

**If the cat comes out
I dare not play,
I dive down deep
and swim away!**
