

# LUNCH BREAK LEARNING

MAY 11TH - MAY 17TH

MON

## LITERACY

Write a recipe together. It can be a recipe for food or for something else like a recipe for a good friend.

TUE

## MATH

Make and play with a sequence puzzle.

WED

## GEOGRAPHY

Learn about where you live. Look at a map together. Draw a map of your neighborhood.

THU

## LITERACY

Play I-spy with letter sounds.  
"I spy with my little eye, something that starts with the sound duh."  
"Yes, it's the door!"

FRI

## SCIENCE

Experiment time. Freeze some liquids you have at home. Make predictions about which will freeze first.

WEEKEND

## BIG PROJECT

Make a dinosaur craft  
Make a necklace with pasta or beads  
Build a car out of a cardboard box.

DAILY

## BEDTIME READING

This week before reading ask your child what they think the book will be about. What do the pictures on the cover tell us?
